All plastic and wrapping materials should also be kept away from children and animals to prevent any risk of suffocation.

Do not stand or sit on your product. Pregnant women should take additional care when lifting this product.

Do not leave children unattended.

Children should always be under direct adult supervision whilst using this product.

Always use on firm level ground.

HELP AND SUPPORT

Please contact our customer service team on 0113 519 0311 if you have any questions or issues with your purchase.

RECYCLING

Please ensure that packaging is disposed of in a safe and environmentally friendly way, and recycle where possible. Please keep your assembly instructions safe to refer back to in the future.

CARE AND MAINTENANCE

1. Only clean using a damp cloth, do not use bleach or abrasive cleaners as they may damage the finish over time.
2. Do not use a very wet cloth or allow any liquid to contact with the veneer for a long period of time. Wipe any spillage immediately. Absorption can cause wood to warp or finishes to de-laminate.
3. Do not scrub or rub the surface when cleaning,
4. Do not drag the table when moving, lift it off the floor instead.
5. Use a placemat or a coaster when putting hot items (e.g. hot drinks and dishes) on the wood surface.
6. It is not recommended to place the item next to sources of heat such as radiators, fires or directly exposed to sunlight. This may cause the wood to crack, split or fade due to the change of the humidity and temperature.
7. Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly to prevent uneven mellowing.

Use and Storage

The Hattie Nesting Tables are designed to allow the smaller table to be stored inside the larger one.

The tables are heavy, (7.5kg and 6.2kg), please exercise caution when nesting or moving the tables. It is not recommended to move the tables when nested as a pair.
