SOHO Storage Pouffe  
Box dimensions: L86 x W71 x H48 (cm)

## Care and Maintenance

1. Clean with your vacuum curtain attachment (the one with a lint-catching fabric strip) or a lint roller to stop dust build up. Do this regularly to keep the pouffe in its best condition.
2. Try to keep your pouffe away from direct sunlight, and not too close to heat sources, as this can cause fading over time. Do not allow the pouffe to make direct contact with any radiators or sources of heat.
3. Wipe up the spillages as quickly as possible by gently dabbing or blotting with a dry cloth until the mark fades away. Some tougher spills, such as oil and grease, can be more persistent and leave a stain. In this case, it's best to contact a specialist cleaning service.
4. Do not drag the pouffe. When moving, lift the pouffe off the floor.
5. Keep children and pets away from the assembly area and any packaging, small parts could choke is swallowed.
6. Do not leave children unattended with the pouffe open.
7. Keep hands away from the mechanism when opening or closing as this could cause entrapment.
8. Do not jump on the pouffe.
9. Only use the pouffe on a flat and level surface.
10. Dispose of all packaging carefully and responsibly – recycle where possible.
11. This product is intended for domestic use only, not commercial purposes.
12. Avoid sharp items such as toys, jean rivets, buckles etc from coming in contact with the fabric as these can easily snag, tear or pull the fabric.
